(+1) 346-219-8514

1810 Todd St.
Sulphur, LA 70663

PROFILE

I am a former offshore surveyor with a BS in Geology specializing in geophysics, seismology and volcanology.

WORK EXPERIENCES

2023-2025 Fugro USA Marine Inc.

Asset Integrity | Assistant Surveyor I
Houston, TX / Lafayette, LA

Responsibilities: Position and monitor vessels both at the surface and subsea, map the seabed with various instruments, and assist in various offshore construction and survey tasks.

Reason for Leaving: Company-wide Budget Cut Layoffs

2022-2023 SLIDES-PR: Outreach Team

University of Puerto Rico- Mayagüez | Dept. Geology
Mayagüez, Puerto Rico

Responsibilities: Rebuilding & managing the SLIDES-PR website and social media pages, organizing and attending events to communicate with the public about the SLIDES-PR project, goals and providing landslide education. Assisting with field work and organizing data collected.

Summer 2022 Undergraduate Research Assistant

University of Puerto Rico- Mayagüez | Dept. Geology
Mayagüez, Puerto Rico

Responsibilities: Re-organizing and taking inventory of research equipment, editing and finalizing Puerto Rico Municipality Landslide Susceptibility maps, assisting the installation & maintenance of hydro-meteorological landslide susceptibility monitors.

Reason for Leaving: Contract Ended

2017-2019 Days Inn Hotel (By Wyndham)

Front Desk Clerk, Night Auditor, Breakfast Supervisor
Webster, Texas

Responsibilities: customer service (checking guests in & out, handling guest requests), handling money, night audit, opening & closing lobby, setting up breakfast, assigning housekeeper duties, calculating employee hours, and more.

Reason for Leaving: Moved to Puerto Rico

2014-2017 Salvation Army Family Store

Floor Associate, Cashier, Floor Supervisor, Key Holder
Houston, Texas

Responsibilities: customer service, stocking floor with merchandise, handling money & payments, cleaning store, opening & closing store, end-of-the-day paperwork

Reason for Leaving: Scheduling conflicts with college & progressed to new employment

- On-Time
- Communication
- Customer Service
- Solo & Team Player
- Analytical
- Problem Solver
- Data Analysis
- Research Writing
- Presenting Research

SOFTWARE SKILLS

- Starfix NG
- Ranger 2
- APOS
- Sprint
- IOWIN
- Starcap
- MS1000
- Seaterm
- ARIS
- Workbench
- Deep View
- Fusion 2
- NPort Administrator
- NTPQC
- Trimble / IXBlue
- StarCap
- ObsPy
- Python
- C++
- ArcMaps
- Adobe Illustrator
- Adobe Premiere
- Structure For Motion
- AGISoft
- Microsoft Office Applications
- Cap Cut
- and more

SURVEY JOB SKILLS

- USBL / LBL / INS
- Surface Positioning
- Structure Orientation
- pUXO
- Seismic Nodes
- Pipeline Inspection
- Metrology
- Liftboat / Rig Moves
- Remote Operations
- Geophysical Ops
- Assisting ROV Ops
- and more
